Preface

The Merit Badge Counselor list, that was in force since January 1986, was five years old and was in a state of disrepair. The list needed to be updated to insure there are Counselors for Each Merit Badge.

Part I

The task of going through the January 1986 Merit Badge Counselor List consisted of eliminating those names, addresses and telephone numbers that had moved out of town, deceased, or declined to serve again. During this period of elimination, there was a number of phone number and address changes or both. Also during this time I was retaining what Counselors I could from the old January 1986 List to go on the new Merit Badge Counselor List. Six (6) weeks, approximately sixty (60) hours was spent on this part of the Project.

Part II

The Task of recruiting new Merit Badge Counselors consisted of phone calls to Professionals or to individuals who had a special interest in a field related to a Merit Badge. These prospects were asked if they knew of anyone else who might be interested in being a Merit Badge Counselor. Very few names were obtained like this, so other resources had to be used, such as other Scouters to help obtain names. Once the new Counselor had been obtained, his or her name was logged in a notebook that had been sectioned off by Merit Badge. Along with the newly recruited Counselor's name was his or her phone number and mailing address. Three (3) months, approximately 120 hours was spent on this part of the Project.

Part III

The task of mailing all the newly recruited Merit Badge Counselors an Adult Application (See: Sample I), a Merit Badge Counselor Form (See: Sample II) and a note to the newly recruited Merit Badge Counselors (See: Sample III) was a major undertaking.

The The retained Merit Badge Counselors were mailed these forms also, because of so many changes, so the District's records will be up to date. There is a total of one hundred Merit Badge Counselors including myself. All the forms to be filled out were stapled together along with the note (Sample III) and stuffed in envelopes to be mailed out. The forms were to be sent back to me when completed. This was done so I could keep up with who had not returned theirs, so it could be followed up to insure all forms were returned.

After all the Adult Applications (Sample I) and Merit Badge Counselor forms (Sample II) were returned, they were taken to the Sequoyah Council office and put on file. This part of the Project took four (4) weeks, approximately forty (40) hours.

Part IV

The task of printing the Merit Badge Counselor List (See: Appendix I) consisted of printing each Merit Badge by its name, with each Counselor's name, address and phone number. I obtained Gilbert Rosenberger, who gave freely of his services to do the task. After a completed copy of the Merit Badge Counselors List was available, it was taken to the Council office to have fifty (50) copies run off. This number allows each troop in the District to have one, plus extras in case any are lost or misplaced. This task took two (2) weeks, approximately twenty (20) hours.

Part V

The task to send out the completed Merit Badge Counselors List consisted of addressing, stamping and mailing a copy to each Scout Troop in the District. This task took one (1) day, approximately two (2) hours.

New Merit Badge Counselors:

Thank you for volunteering to assist the boys in Scouting by serving as a Merit Badge Counselor. In order to register you as a Counselor, we need to have the two attached forms:

Merit Badge Counselor Information, and

Adult Application

from the Boy Scouts of America filled out. Please ignore the blocks for fees on these forms. There is no fee for registering as a Merit Badge Counselor. We need these forms completed for the office files, even if you have previously registered with the Boy Scouts.

Please return the completed forms to me at:

Mr. Steve Thomas
Route 15, Box 512
Gray, TN 37615

I would like to have the forms by February 23rd if possible. Please do not send the completed application to the Boy Scout office, since I must turn all of them in together so that no fee will be charged. If you have any questions, call me at 477-8444.

SUMMARY

The project of Developing a Merit Badge Counselor List is time consuming. Approximately six (6) months was needed to complete the tasks, including making over three-hundred (300) telephone calls. The project was started by myself and I was soon to realize the project was too large for just one person. Others had to be utilized as resources.

There were several problems that developed doing this project. The most frustrating was a last minute declination of a person who had four (4) Merit Badges. There was the scramble to find new counselors before the Merit Badge Counselor List (Appendix 1) was finalized.

The mailing of the Forms (Samples I - III) to recruited Counselors was a problem due to bulk of envelopes and the cost of postage to mail these. Seventy nine (79) were hand delivered to home address or given out at the Roundtable. Twenty one (21) were mailed from the Sequoyah Council's Office and charged to the Daniel Boone District.

SUMMARY (Continued)

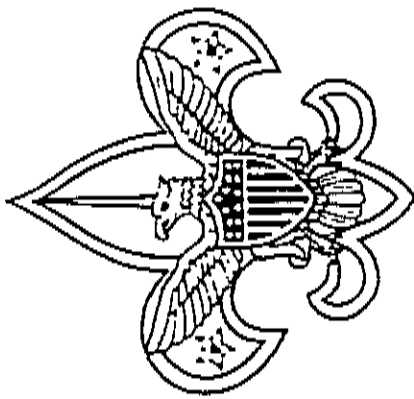

There was a problem of getting all the forms (Samples I - III) turned back in by the date requested and followups had to be done.

RECOMMENDATIONS

If anyone decides to undertake redoing or make a Merit Badge Counselors List as a Project, get enough help and resources as to not let all the work fall on yourself. It is very time consuming and you might not have the time to put into it, if you try to do it alone. Split the recruiting of Merit Badge Counselors up. Let three or four people recruit allotted Merit Badge Counselors. Also keep your eyes and ears open. Sometimes you run nto prospective Merit Badge Counselors by accident.

Merit Badge Counselors List

Daniel Boone District

DANIEL BOONE MERIT BADGE
COUNSELOR LIST
March 1, 1991

The attached Merit Badge Counselor List has been assembled by Steve Thomas over the last six months. Thus, all of the counselors have been contacted recently and have agreed to serve. Scoutmasters are encouraged to make use of these resources. If problems should occur, please contact the Daniel Boone District Executive or one of the following:

Steve Thomas	477-8444	Route 15, Box 512	Gray, TN 37615
Art Lewis	282-3504	3403 Amoyee Dr.	Johnson City, TN 37601
Gilbert Rosenberger	753-5658	137 Jason Ln.	Jonesborough, TN 37659

This list is intended to enhance the Scouting program. Scoutmasters retain the authority to designate other adults as Merit Badge Counselors for the scouts within their troop. Scoutmasters will continue to provide the final determination as to whether or not a scout has successfully completed Merit Badge requirements.

The CPR requirements of the FIRST AID and the LIFESAVING merit badges may be obtained through the American Red Cross. It is recommended, but not required, that scouts complete the full four (4) hour course required for certification. This will minimize any legal liabilities a Scout may incur, should he have to use this technique.

This list has been computer generated, in order that it may be easily maintained and updated. If you know of other adults who would like to serve as a counselor for one or more merit badges for scouts in the district at large, please contact one of the individuals listed above. It is our intent to update and reissue this listing at least annually, or more frequently if appropriate. Any suggestions for improvement will also be welcomed.
